b. Anti-Bribery and Anti-Corruption.

i. In the exercise of its rights, and the performance of its obligations, under this Agreement, Distributor shall comply with all Laws, regulations, ordinances, decrees, and judicial and administrative orders of the Territory and, where applicable, the United States, including, but not limited to, the United States Foreign Corrupt Practices Act (“FCPA”). Termination of this Agreement in accordance with this Section 11.b.iii shall be in addition to, and not in lieu of, any and all other rights and remedies that Mirion may have under this Agreement and/or applicable law, including the right to recover damages for all harm suffered or incurred by Mirion, as a result of Distributor’s breach of its obligations hereunder.

i. ii. Notwithstanding the generality of the foregoing, except as authorized under United States and other applicable Laws, Distributor expressly represents and warrants that, under no circumstances, shall it use, resell, export, reexport, distribute, transfer, dispose of or otherwise deal with any of the Dosimetry Services, or any spare parts, warranty items or technical data or make/receive any payments related to the Dosimetry Services, directly or indirectly, to or for the benefit of: (1) a person located or residing in or organized under the laws of Cuba, Iran, North Korea, Syria or Crimea (“Restricted Territories”); (2) a person who is (a) designated under national, regional or multilateral trade or financial sanctions under applicable laws and regulations, including but not limited to persons designated on the United States Department of the Treasury, Office of Foreign Assets Control’s (“OFAC”) List of Specially Designated Nationals and Other Blocked Persons (including terrorists and WMD proliferators), the OFAC Sectoral Sanctions Identification List, United States State Department Non-proliferation Sanctions Lists, United States Department of Commerce Denied Parties List, Entity List or Unverified List, United Nations Financial Sanctions Lists, or the European Union or United Kingdom HM Treasury Consolidated Lists of Financial Sanctions Targets, in force from time to time, (b) any entity that is 50% or more owned or otherwise controlled by any of the foregoing, or (c) the government of, or any person owned or controlled by or acting on behalf of the government of the following countries: Cuba, Iran, North Korea, Syria or Venezuela (collectively, “Restricted Persons”); or (3) any weapons of mass destruction, ballistic missile or nuclear-proliferation-related, terrorism-related or military-related end-user or end-use (“Restricted End Uses”).

A copy of such notice shall be sent to legal-channel@mirion.com.

13. GENERAL.

a. Governing Law. This Agreement will be governed by and interpreted in accordance with the laws of the State of Georgia, without giving effect to its rules governing conflicts of laws. The Parties acknowledge and agree that the United Nations Convention for the International Sale of Goods shall not be applicable to this Agreement.

b. Injunctive Relief. The Parties agree that damages alone will be an insufficient remedy for violations of the terms of Sections 9 or 11 of this Agreement, and that Mirion or an Affiliate of Mirion would suffer irreparable damage as a result of a violation. Accordingly, Mirion shall be entitled, in the event of a breach or threatened breach of Sections 9 or 11 of this Agreement, to obtain injunctive relief to enforce the provisions of such Sections 9 or 11. Such injunctive and other relief shall be in addition to any and all other rights or remedies available to Mirion, including, but not limited to, damages or other relief or remedies for such violation.

c. Force Majeure. Neither Party will be liable hereunder by reason of any failure or delay in the performance of its obligations hereunder (except for the payment of money) on account of force majeure. Force majeure refers to all unpredictable and unstoppable outside events including but not limited to strikes, shortages, riots, insurrection, fires, flood, storm, explosions, acts of God, war, governmental action, labor conditions, earthquakes, material shortages, or any other cause which is beyond the reasonable control of such Party. Without limiting the generality of the

- foregoing, the Parties agree that failure by the relevant governmental or administrative authority to authorize delivery of a Dosimetry Service constitutes an event of force majeure except where such failure is directly attributable to negligent acts or omissions of either Party in the process of obtaining this authorization. In order to invoke force majeure as an excuse of non-performance, the Party must notify the other Party, in accordance with the Notices provision herein, in writing together with proof of the occurrence of such an event and the relevant start and, if known, end dates. If the delay or impediments due to such events exceed a period of three (3) months, the Parties will consult together to find a solution to any problems created by such delays or impediments and to agree upon any amendment to the terms and conditions of this Agreement which may be deemed necessary. Nothing herein will modify or limit Distributor's obligation to make the payments required hereunder in accordance with the terms herein.
- d. Severability. In the event that any of the terms of this Agreement are in conflict with any rule of law or statutory provision or are otherwise unenforceable under the laws or regulations of any government or subdivision thereof, such terms will be deemed struck from this Agreement, but such invalidity or unenforceability will not invalidate any of the other terms of this Agreement and this Agreement will continue in force, unless the invalidity or unenforceability of any such provisions hereof does substantial violence to, or where the invalid or unenforceable provisions comprise an integral part of, or are otherwise inseparable from, the remainder of this Agreement. In this event, the Parties will replace the provision or provisions with provisions that are as close as possible to the invalid or unenforceable provisions.
- e. Amendments. This Agreement will not be deemed or construed to be modified, amended, rescinded, cancelled or waived, in whole or in part, except by written amendment signed by the Parties hereto.
- f. Event of Default. To the extent Distributor is a party to another agreement with another Mirion entity listed in the Recitals, any breach or event of default of any of these Agreements entitles Mirion to terminate this Agreement for breach in accordance with Section 10.2(a) of this Agreement.
- g. Assignment. Mirion may assign this Agreement and its rights and obligations hereunder upon written notice to Distributor. The rights and obligations of Distributor under this Agreement are personal to Distributor and may not be assigned, delegated, transferred, licensed, sublicensed, or otherwise disposed of without the prior written consent of Mirion.
- h. Headings. Headings in this Agreement are included herein for convenience of reference only and will not constitute a part of this Agreement for any other purpose.
- i. Counterparts. This Agreement may be executed in two or more counterparts, each of which will be considered an original, but all of which together will constitute one and the same instrument. The exchange of a fully executed Agreement (in counterparts or otherwise) by fax or scanned copy sent by e-mail will be sufficient to bind the parties to the terms and conditions of this Agreement.
- j. Entire Agreement. This Agreement, along with the documents incorporated as an integral part of this Agreement, constitute the entire agreement of the Parties with respect to the subject matter hereof, and supersedes any and all previous agency or similar agreements by and between Mirion and Distributor as well as all proposals, oral or written, and all negotiations, conversations or discussions heretofore had between the Parties related to this Agreement.
